Nonvisible Boundary or Line Not Elsewhere Classified	—		

Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

1. A '*' following a place name indicates that the place is coextensive with a MCD. A '*' following an incorporated place name indicates that the place is also a false MCD; the false MCD name is not shown.

2. A '*' following a block number indicates that the block number is repeated elsewhere in the block.
